Safety in a Box Bundle

Radarsign's Safety in a Box is a all inclusive sign package with everything needed for installation except the shovel and concrete.

All that is required is digging a hole, pouring the concrete, and installing the sign. It's that easy.

Shown with standard aluminum pole and square base

Shown with standard aluminum pole and optional octagonal base and optional Hyper-Alerts

Shown with optional decorative pole and base

Concrete Form Kit

Solar Panel

Streetsmart Traffic Data Collection & Reporting
